PROPERTY OF
VIRGINIA

In GRATEFUL ACKNOWLEDGMENT

TO MARY LOUISE JANSEN, FOR HER HUMOR AND CHEERFULNESS, HER SYMPATHY AND UNDERSTANDING, AND HER WILLINGNESS TO HELP AT ALL TIMES, WE, THE GRADUATING CLASS OF 1940, DEDICATE THIS, THE TWENTY-SECOND LINK OF THE **CHAIN.**

TRIBUTE TO A DOG

The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous, is his dog. A man's dog stands by him in prosperity and poverty, in health and sickness. He will sleep on the cold ground, where the wintry winds blow and the snow drives fiercely, if only he may be near his master's side. He will kiss the hand that has no food to offer; he will lick the wounds and sores that come in encounter with the roughness of the world. He guards the sleep of his pauper master, as if he were a prince. When all other friends desert he remains. When riches take wings, and reputation falls to pieces, he is as constant in his love as the sun in its journey through the heavens

—SENATOR VEST.

A passing thought of Man's Best Friend . . of

FOREWORD

Our life at Lane would not have been complete without our friends the dogs, who so frequently attended classes and took their places at the feet of their masters. Their very presence lent a cheery and homelike air to the classroom.

In years to come as we glance back through the pages of this book, may we be again reminded of their faithfulness and loyalty as sharers of many happy experiences in Lane High School.

JOHNSON SULFRIDGE

Dr. James G. Johnson has served continuously as superintendent of the city schools since July 1, 1909. During his term of service three elementary schools for white children, a new high school for white children which is very near completion, and a new high school for the colored have taken their places in the system. Dr. Johnson received his Ph.D. from the University of Virginia.

Mr. Hugh L. Sulfridge has served as principal of Lane High School since September 1, 1929. Mr. Sulfridge received his teacher's diploma from the College of William and Mary in 1909, and in the summer session in 1916 received his B.A. degree. He has served as principal of high schools at Coeburn, Stonega, Appalachia, and Big Stone Gap. It was after he had received his M.A. degree from Columbia in 1929 that he came to Charlottesville to become principal of Lane High School.

A half-hour period is set aside as a home room period each day to allow time for club meetings, assembly programs, staff meetings, and to give the pupils a chance to become better acquainted with one another. Spelling is also taken up once a week in each room during this period.

The home room period gives the teacher more time to check rolls, to look into absences, and to make the room more attractive. It gives the pupils a chance to plan programs, sponsor contests and debates, and participate in more of the school's activities.

The purpose of the Ushers Club is to encourage pupils to attain the ideals set forth in the purpose of the Student Council. This year the Student Council selected twelve ushers who were best fitted for carrying out the purpose of the club. Every week six ushers serve at various places in the halls to maintain order and report any misconduct on the part of the pupils.

Since the Ushers have been placed on duty, running has been stopped in the halls, the noise and confusion have been reduced considerably, and the general attitude of the pupils has been improved.

The efficiency of the club can be largely attributed to the guidance of Mr. H. H. Walker, the sponsor and general adviser of the club.

VARSITY SQUAD

Lane opened its 1939 football season with a light but very fast team against Lee High School of Staunton. The game was a very favorable one and showed the type of team Lane had, as they easily won 33-0. The first score came on the third play of the game with Daniel going over on a pass from Lushbaugh. After a series of plays, Bobby Smith went over for the second score. Carson Miller scored Lane's third touchdown just before the half, and at intermission Lane led 20-0. After the half the Lane's second team played most of the remainder of the game. However, Lushbaugh scored before the first team retired to the showers. The final score came in the closing minutes of the game when John Davis ran 35 yards for a touchdown. Gus Kardos kicked two of the five conversions for extra points. Dick Stowell added the third point on a line plunge.

Lane again triumphed the following Saturday by a 12-6 victory over the strong Fredericksburg team. James Monroe scored the first touchdown of the game on a pass from Long to White, the play covering 23 yards. Lane's first score came in the early part of the fourth quarter on a 39-yard pass from Lushbaugh to Smith, who was waiting in the end zone. In the closing minutes of the game "Byrd" Hildebrand intercepted a Fredericksburg pass and ran for a touchdown. The game featured Lushbaugh's passing and Smith's running.

On Friday, the thirteenth, Lane turned back a fighting Salem football team by 19-14 victory. Lane was by far the better team on the field, but the Salem team threw a scare into the fans by scoring two touchdowns in the fourth period. A partially blocked kick in the first quarter set up the chance for Lane's first points. Gus Kardos made the first touchdown on a line plunge from the three-yard line. Kardos added the extra point, and Lane led 7-0. Willie Barnett made the score 13-0, when he drove over for the second touchdown. In the third quarter

a pass from Lushbaugh to Smith put the ball on Salem's three-yard line. From this point Smith took the ball over on the first down. In the fourth quarter Salem frightened the onlookers by passing its way to two touchdowns before the game ended 19-14 in Lane's favor.

Danville High School tied a highly favored Lane team in Lane's fourth game of the season. Lane outplayed Danville in every possible way, but was unable to come out on the top of the score. Coach Martin's boys brought first blood, when Lushbaugh tossed a pass to Daniel, who, in turn, scooped the ball from his ankles and raced 35 yards for the first score. Lushbaugh's attempt for the extra point was good. There was no more scoring until the final period, when Danville capitalized on a local fumble and scored. Lane started a march following the kick-off and scored on a long pass from Lushbaugh to Smith in the end zone. On one of the last plays of the game a long pass gave the Danville team a 13-13 tie.

Newport News handed the Orange Wave its first defeat of the season with a 6-0 score. Until the last two minutes of play Coach Martin's boys held their own against the heavier opposing team. Lackman, of Newport News, was the hero of the game, when he went through guard, reversed his field, and ran 15 yards for the only score of the game. The Lane-ites were outweighed nearly twenty pounds per man, but fought back, and several times repulsed the heavier team when they had reached the 20-yard line.

The local team traveled to Alexandria the following week-end to play George Washington High School in the only night game of the season. Alexandria upset the favored Lane team, scoring a decisive 20-6 victory. Lane completely outclassed the Presidents in the first half, but left the field at intermission on the short end of a 7-6 score. Lane opened the ball game with a march to the Presidents' 24-yard line, where Block, Alexandria left end, intercepted a Lane pass and sped 76 yards for a touchdown. Bobby Smith was responsible for Lane's touch-

down, which came in the second period. In the second half Alexandria scored two touchdowns, one in the third quarter, and one in the fourth quarter. A "trick" play was not covered properly, and the Presidents scored. In the fourth quarter the opponents scored after recovering a Lane fumble. The final score was 20-6.

The football team made a splendid comeback victory over Woodberry Forest the following week-end to the tune of 33-7. The first half was all Lane's with the Orange wave rolling up a large 20-0 lead. The first score came early in the first quarter, and Lane jumped ahead 6-0. The extra point was then added, making the score 7-0. In the early part of the second quarter, Gus Kardos scored on a wide end run, making the total 13-0. Following the kick-off, there was a punt exchange before Lane took possession of the ball and marched for a touchdown. This time it was Willie Barnett, who went over for the score. Kardos again added the placement, and as the half ended Lane led 20-0. Lane's second team played the majority of the second half. However, Bobby Smith brought the fans to their feet with a 45-yard run to the Woodberry two-yard, from which point he took the ball over on the next play. Kardos added the placement and Lane led 27-0. Smith again scored in the latter part of the third quarter on a long pass from Kardos. Woodberry's only score came in the final period against the local's second team on a 54-yard sustained march.

The next week-end saw Lane score one of the biggest upsets of the year, when they tied Lynchburg 6-6. The statistics showed that the two teams were very evenly matched, although the "hilltop" boys were much heavier. Lane opened the scoring in the game and led 6-0, when the try for the extra point failed. Lynchburg came back strong with Dobson leading her attack. In three plays he picked up 65 yards. From the four-yard line McLennan took the ball over. The try for the extra point was low, knotting the score at six all. Lane made 10 first downs to 9 for her opponents, while Glass High gained 194 yards rushing to Lane's 132.

The biggest upset of the year occurred on Thanksgiving day, when Lane stopped a highly favored Hopewell team 6-6. Hopewell outclassed Lane in the first half, but the locals came back strong after intermission to ring up fifteen first downs to their opponents' three. Hopewell brought first blood when she scored on a pass in the first half. The try for placement failed and she led 6-0. After intermission an inspired Orange Wave pushed Hopewell all over the field and registered six points when Lushbaugh went over for the score. Lane reached the shadow of the opponents' goal line at least four times in the second half, but was unable to push over but one score. The game ended with Lane on Hopewell's four-yard line with second down and goal to go.

Lane's final game with Thomas Jefferson on December 2 was a disastrous affair, as the Lane-ites were trimmed easily 24-0. Lane was completely outplayed in all ways, but considering that she was minus several of her best players because of injuries, she did very well. Tee-Jay scored 18 points in the first half, 12 of which were made on some razzle-dazzle play. In the second half rain came down in bucketsfull and chased the fans away, but nevertheless the Richmonders scored six more points to make the final score 24-0. This completed the Lane season with four wins, three ties, and three losses.

The Lane Juniors were not so successful as the varsity, but managed to win one game out of three. The Juniors started off well by impressing the fans with a 2-0 victory over a very highly favored Miller School team.

However, in a return match the Laneites were not so successful as before, losing the game to Miller School 14-0. The boys played an excellent game, but because of the opponents' weight and experience, were unable to come out on top.

In the final game Lane played the Juniors of Alexandria. The game was an exciting one with the visitors completely outplaying the Lancites and winning 24-7. Eugene Brown scored Lane's only touchdown when he blocked a punt and crossed the goal line with the ball.

SOFTBALL

One of the outstanding pastimes of a great many of the boys is softball. There are several of these softball teams that play during recess, and also after school at Venable Field. The outstanding event of the softball season is a game between the best of the student players and the faculty. This game is usually held toward the end of the softball season, and as a rule attracts a large audience. These daily games of softball keep the boys in good physical shape, and when the season ends, many of them join the city teams that play in the evening at McIntire Park throughout the summer.

BASKETBALL RESUMÉ

The girls' basketball team for the 1940 season had the most successful year since Mrs. Julia Alderman has been coach. Only two games were lost, and these were avenged on the home floor later in the season.

The first game on January 5 ended in defeat at the hands of Shenandoah with a score of 19 to 15. Lentz received scoring honors with 7 points.

On the following Friday the home team met the sextet from Farmville High School in the New Armory. This proved to be one of the best games played by the Lane-ites. Captain Lentz led the team to victory with a score of 26-21. The floorwork of the forwards was decidedly outstanding in this game.

Waynesboro was the scene for the second and last defeat of the Lane team. The locals were left behind early in the first quarter, and the final whistle found the score 32-23. The highlight of the game was the guarding by Patsy Davis, who was the appointed captain.

The night of February 9 found the home team on the floor waiting to redeem itself against the Shenandoah team in the return game. At the half, the Lane forwards had tallied up 15 points while the guards had held the score of the opponents to one basket. Throughout the second half Lane continued to increase her lead with Lentz pacing both teams with 18 points. The final score was 29-6. Captain Marshall played one of her most outstanding games of the season.

The next game was with the Waynesboro sextet in the New Armory. The locals found the basket eight times for 16 points, while the opponents gained 11 points for their final score. The contest was marked by the brilliant playing of Wade, Davis, and France, guards, and Best, forward.

For the first time in a long while the Lane girls were victorious over the Independent team of the city. This city league team is composed of girls, many of whom were former stars on the Lane team. Although this game was not on schedule, it was quite an accomplishment to win from such a team by a score of 22-12.

The last game of the season was played on the basketball court of Robert E. Lee High School in Staunton with the team from the Virginia School for the Deaf and Blind as opponents. This was the last score entered on the scorebook for the 1940 season. Imogene Marshall was high-scorer for both teams with 17 points. The entire team played a wonderful game under the circumstances, and finally won by the score of 34-16.

The Fredericksburg and the Farmville games, which were on schedule, were called off because of snow and bad weather conditions. The home game for the

V. S. D. B. was canceled because the school was quarantined on account of the illness of several players. Since there is a rule in Lane barring post-season games, these were never played.

When the call for a basketball squad was made, a group of 34 girls reported for practice. As time progressed the squad dwindled to a group of 15, who remained out the entire season. From these the first team was chosen, which consisted of Imogene Marshall, Ann Best, and Betty Ann Lentz as forwards, and Eleanor Wade, Patsy Davis, and Sara France as guards. This team played most of the games but they were backed up by capable substitutes. When the points were totaled it was found that Imogene Marshall was high-scorer with 67 points and Betty Ann Lentz second with 45.

This year's captains were elected for each game and not for the entire season. Sportmanship at all times was especially stressed during this season.

During the 1940 season the Junior Varsity team met sextets from Charlottesville as well as the team from Waynesboro. Several of the local schools were St. Clair's School for Medical Secretaries, Tarleton's Business School, and McGuffey, and Clark. Tarleton's Business School lost to Lane by the score of 19-4. Unlike the varsity team, the juniors defeated Waynesboro there, but lost to them in an overtime game on the home court. The scores for these two games were 18-13 and 9-12 respectively. The team was well organized and the players showed themselves to be good material for next year's varsity.

Apr. 18-19—"What a Life" was presented by a capable cast of Senior dramatists! Congratulations! all youse actors and actresses.

Apr. 22—Ho hum! What a dull and boring day!

May 3—At last the Boys' Senior Hi-Y Best Girl Banquet and dance came off. More pretty corsages and stuff were floating around!

May 4—Yes, that "sweet" music you hear floating out of the Assembly Hall each day is nothing but the Seniors practicing songs for graduation.

May 5—Well, it's almost time—I mean for graduation, of course.

May 8—The hikers visited Monticello today, accompanied by Miss Holladay.

May 10—The members of the Girls' Glee Club gave their annual party today. What a gala occasion!

May 17—We hear the teachers are pretty busy making out our final examinations.

June 3—Well, here we are at the end of another year, our last in old Lane High. We wish those who journey on to the new school the very best of luck.

Since you last heard from me the District Literary Contests were held at the University. Then came our final exams. Then on to the Senior picnic, hayride, and banquet, and finally that momentous occasion—the delivery of diplomas. The Senior dance and the trip over the mountain topped off the year.
